Sample Application Supplemental Information

Some families may want to share additional information. These are optional.

IEP (Individual Education Plan)

Sharing more about the applicant is helpful for the Admissions Committee to contextualize the information received through this application. Giftedness identification is not a requirement for admissions consideration. Having other identification(s) does not preclude the applicant from admissions consideration.

Please upload the most recent IEP. If the IEP has changed significantly in the last 3 years, you may submit more than one. (if applicable).

My child has had an IEP in the following years of school (Select all that apply)*

Supplementary Test

The SSAT or ISEE tests are no longer required for UTS admissions. If the student has written one of the tests and would like to share the score, please add the test registration number here AND make sure UTS is selected as a score recipient on the SSAT/ISEE registration page so that score reports can be sent automatically to UTS.

Please enter your test registration ID numbers.
